Dear Mr. Crawford:

This concerns your petition for rule making filed August 20, 2001, by which you seek to amend the FM Table of Allotments by adding Channel 257C3 at Williams, Arizona.

A separate rule making proceeding in MM Docket No. 01-135 proposed the allotment of Channel 291C2 at Caliente, Nevada. The date for filing comments and counterproposals in that proceeding was August 13, 2001. Two counterproposals have been filed in that proceeding. One of those counterproposals (RM-10327) includes a proposal to allot Channel 257C to Grand Canyon Village, Arizona. That proposal is mutually exclusive with your proposal to add Channel 257C3 to Williams, Arizona. In order for your Williams, Arizona, proposal to be considered, it must have been filed by the August 13, 2001, comment date in MM Docket No. 01-135. Since your rule making petition was filed after that date, we are dismissing your petition for rule making as untimely. *See* Section 1.420(d) of the Commission's Rules; *see also* *Pinewood, South Carolina*, 5 FCC Rcd 7609 (1990)

Sincerely yours,

John A. Karousos
